THE COMET WAY

With a dedication to continuous improvement and an obligation to our customers to supply a quality product, Comet Metals, Inc. strives to become a leader in establishing the best industry standards for quality, value and service in all the products we supply.

We actively support, promote, and maintain an internal culture that respects and rewards the skills, loyalty, and dedication of our employees, which we call “The Comet Way”. It is our employees who have assisted in the development of new ideas and opportunities that have allowed Comet Metals to be a step ahead of those in our industry.

The C.O.M.E.T. Way:
Confident. Obligated. Motivated. Ethical. Team

We are Confident in our processes, Obligated to our customers, Motivated to be the best, Ethical in our practices, and one unified Team.

INDUSTRIES WE SERVE

- Power Transformers & Magnetics
- Electrical Switchgear & Circuit Boards
- Heat Exchangers
- Thermal & Acoustical Insulation
- HVAC Filters
- Refractory & Heat Treating
- Construction
- Industrial Supplies & Safety Products
- Medical Instruments
- Stamping & Fabrication
WHO WE ARE

Located in Northeastern Ohio, Comet Metals, Inc. is a primary converter and distributor of non-ferrous metals. We specialize in aluminum, copper, stainless steel, foil, sheeting and coils; all available in thicknesses from .00035” to .100”. We also supply a variety of specialty metals, such as brass, phosphor bronze, nickel, hastelloy and monel, just to name a few.

We partner with companies looking for fast service, dependability and a quality finished product, all at a competitive price. Every product we manufacture delivers dependable performance, and if you pair that with the outstanding care you receive from our customer service team, you will understand why countless companies choose Comet Metals, Inc.

Since 2003, we have built our company on service by maintaining a standard three to five day lead time on stock items, which allows us to respond to our customers' just-in-time inventories and expedited shipments.

With a diverse set of capabilities, Comet Metals, Inc. is your primary source for your metal needs.

CAPABILITIES

METALS

ALUMINUM:
- Thickness: .0003” to .100”
- Widths: .200” to 64”
- Tempers: Ann, H12, H14, H16, H18 and H19
- Finishes: Matte 1/bright 1, 2 sides bright, mill finish, and others upon request
- Alloys: 1100, 1145, 1235, 1350, 3003, 5052 and more

COPPER:
- Thicknesses: .0007” to .100”
- Widths: .200” to 36”
- Tempers: Ann, 1/4, 1/2, 3/4, full hard and spring
- Finishes: commercial and bright finish
- Alloys: 110, 101, 102 and 121

STAINLESS STEEL:
- Thicknesses: .0007” to .025”
- Widths: .250” to 36”
- Tempers: Ann, 1/4, 1/2, 3/4, full hard and spring
- Finishes: 2B, 4F, Dull and BA
- Alloys: 200, 300, and 400 series

SPECIALTY METALS: BRASS, BRONZE, NICKEL AND SILVER
- Thicknesses: .002” to .090”
- Widths: .200” to 24.000”
- Tempers: Annealed 1/4, 1/2, 3/4, FH and spring
- Finishes: standard finishes
- Alloys: Inconel 600, Hastelloy, Monel, Nickel, Titanium, Tin and others

SHEETING

- .0007 - .005
  - 2” to 48” wide sheets
  - 4” to 120” long sheets
  - Tissue interleaved
- .006 - .080
  - 2” to 48” wide sheets
  - 4” to 120” long sheets
  - Non-tissue interleaved

CONTRACT SERVICES

- Precision slitting
- Sheeting
- Tissue interleaving
- Custom packaging
- Certifications
- Nationwide service
- International shipments
- Coating and laminating
- Toll processing
- No minimum order quantity
- Fast response time
