Declaration of Compliance for Comet Metals Inc

Dated: May 1st, 2024

RoHS Compliance: Our products are designed and manufactured to meet the requirements of the RoHS Directive (2011/65/EU) which restricts the use of hazardous substances such as lead, mercury, cadmium, hexavalent chromium, polybrominated biphenyls (PBB), and polybrominated diphenyl ethers (PBDE) in electrical and electronic equipment and our materials do not contain any of these substances.

REACH Compliance: We are committed to compliance with the REACH Regulation (EC 1907/2006) by ensuring the registration, evaluation, authorization, and restriction of chemicals used in our products. We work closely with our suppliers to ensure the safety and compliance of all substances used in our manufacturing processes and our materials do not contain any of these substances.

SVHC Declaration: We actively monitor the Candidate List of SVHC published by the European Chemicals Agency (ECHA) and communicate any relevant substances present in our products above the threshold limits stipulated by REACH and our materials do not contain any of these substances.

GADSL Compliance: For products supplied to the automotive industry, we adhere to the requirements of the Global Automotive Declarable Substance List (GADSL). We ensure that all substances used in our automotive products are compliant with GADSL requirements and do not exceed the specified limits.

PFAS Management: We recognize the concerns surrounding Per- and Polyfluoroalkyl Substances (PFAS) and are committed to minimizing their use in our products and manufacturing processes. We strive to identify PFAS alternatives and implement suitable substitutes wherever feasible, while ensuring product performance and safety and our materials do not contain any of these substances.

Continuous Improvement: At Comet Metals, we continuously review and update our processes and procedures to align with evolving regulatory requirements and industry best practices. We remain dedicated to providing products that are safe, environmentally friendly, and compliant with relevant regulations.

For further information or inquiries regarding our commitment to RoHS, REACH, SVHC, GADSL, and PFAS compliance, please contact sales@cometmetals.com.
